This program has been approved for 2.25 (General) recertification credit hours toward PHR, SPHR and GPHR recertification through the HR Certification Institute.

The first 2009 TME forum was held in March in Atlanta. A standing room only crowd of senior level talent managers from a wide range of companies and industries engaged with presenters and each other in lively discussions around solving current staffing issues.

One attendee stated, "The Talent Management Executive Forum was more informative than I anticipated. The data shared was real and relevant to what we are going through ourselves, and gave me a number of ideas I can work to implement for improvement. I highly recommend this event to anyone who is involved in the world of recruiting and selection."
